*CI Optical Program

Although eye exams and medical treatment for eyes is covered by Washington Apple Health for adults, frames and lenses are not. Correctional Industries Optical Center will continue to make these items prescribed by your provider/participating optometrist at a low price.

If you are interested in obtaining eye glasses from Airway Heights, please inquire with your provider/participating optometrist. Prices are expected to be around \$20 for a pair of glasses, but please ask your eye doctor for specific prices.
