

Advance Care Planning Program
Normalizing conversations about end of life care
Increasing the number of people with advance directives

Welcome to Advance Care Planning Community Workshops

Recommended for individuals 18+ and families
No registration is required
Free & open to the public!

Making your health care choices known in advance is a gift to those you love. Join us for this dynamic presentation on Advance Care Planning. Participants will learn:

- **Why Advance Care Planning is important** for all adults and commonly used terminology
- **How to choose someone** to be your Durable Power of Attorney for Health Care (your Health Care Agent)
- **How to talk to** loved ones and doctors about preferences for end-of-life care
- **How to** consider what questions they have about their choices
- **How to** complete & file Advance Directive paperwork
- **Identify** tools and resources to aid you in your decision making
