

**Advance Care Planning Program**  
*Normalizing conversations about end of life care*  
*Increasing the number of people with advance directives*

## Welcome to Advance Care Planning Community Workshops

**Recommended for individuals 18+ and families**

***No registration is required\****

***Free & open to the public!***

Making your health care choices known in advance is a gift to those you love. Join us for this dynamic presentation on Advance Care Planning. Participants will learn:

- **Why Advance Care Planning is important** for all adults, and commonly used terminology
- **How to choose someone** to be your Durable Power of Attorney for Health Care (your Health Care Agent)
- **How to talk** to loved ones and doctors about your preferences for end-of-life care
- **How to consider** what questions you have about your choices
- **How to complete** & file Advance Directive paperwork
- **How to identify** tools and resources to aid you in your decision making
